Dr. John S. Huang

After receiving a doctorate in physics from Cornell University, Dr. Huang has taught physics at the Rutgers University in New Jersey, and later joined Exxon Research and Engineering Company to lead a research effort in Complex Fluids. He has been elected a Fellow of the American Physical Society, and received several honors for his pioneering work. Dr. Huang has also been serving at the helm of various Christian organizations over the years. He is the founder of Cornell Chinese Bible Study, and a founding member of Rutgers Community Christian Church, Somerset, NJ, at which he now serves as a full-time Elder. Currently he is a Visiting Research Faculty at Princeton University and the CCCOWE Coordinator for Science & Faith Ministry.
